The cunning Hercules

Author: Jonathan Franzen

Genre: Mythology

Publisher's recommended age(s): 14+

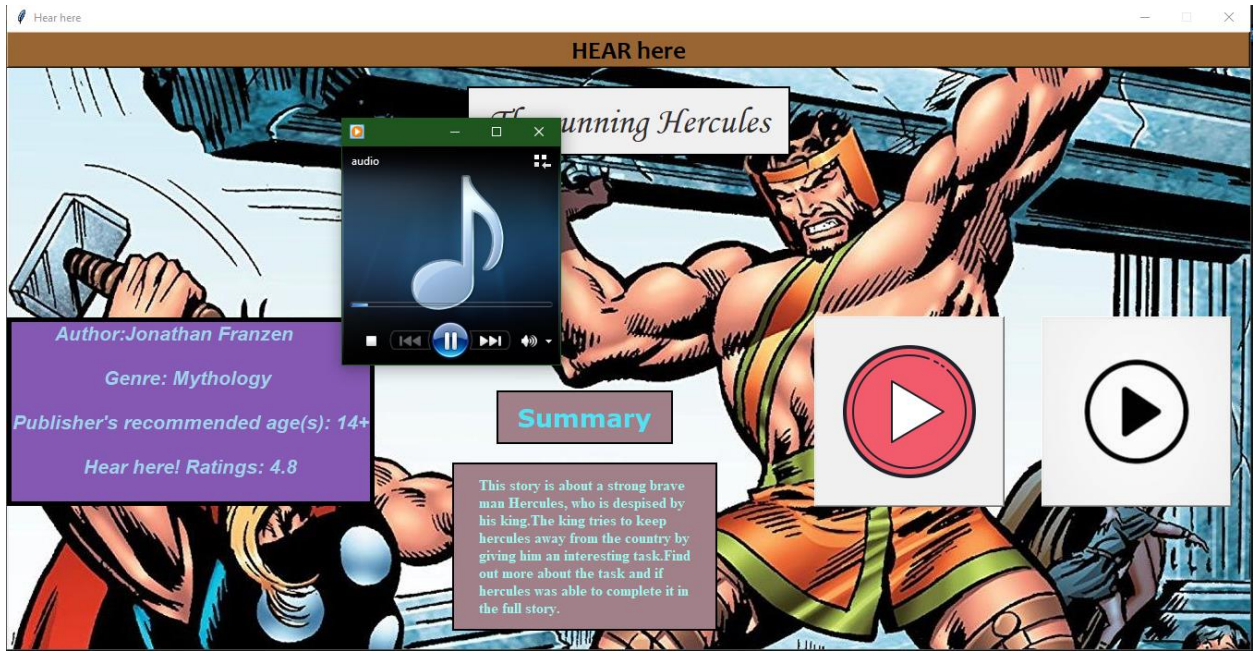

Hear here! Ratings: 4.8

Summary

This story is about a strong brave man Hercules, who is despised by his king. The king tries to keep Hercules away from the country by giving him an interesting task. Find out more about the task and if Hercules was able to complete it in the full story.

Play buttons

8. When either of the two play buttons are clicked upon, the story will be converted into audio and the .mp3 file will be played. Here, windows media player plays the file on my device as it is the default media player for my device.
